Detailed payment lists

The following information is provided in accordance with paragraph 29P(3)(b) of the Superannuation Industry (Supervision) (SIS) Act 1993 and regulation 2.10 of the SIS Regulations 1994 (Regulations).

Promotion, marketing, or sponsorship expenditure

Promotion, marketing or sponsorship expenditure includes design, production and distribution of Fund promotional or educational materials, advertising development and media costs, sponsorships, memberships to industry advocacy bodies and alliance partnership arrangements with strategic peak bodies and organisations. This expenditure is necessary to grow the Fund. The Fund's size and scale enable access to investment opportunities that may not be available to smaller funds and helps keep fees as low as possible, ensuring more money can go towards members' retirement.

The information detailed below relates to contracts with suppliers. The contract amount is the total expenditure made, or to be made, under the contract, and doesn't necessarily reflect amounts paid in the current financial year. Also, where more than one contract is listed for a supplier, it does not necessarily mean that there were multiple contracts with that supplier at the same time.

Contract amounts disclosed are net of Goods and Services Tax (GST).
